Men of St. John's, Fall 2016

Scott Howard,
President,
Men of St. John's
robert_s_howard@ml.com

The Men of St. John's held our Annual Meeting on Thursday, September 22nd, at The Green-Meldrim House. Outgoing President, Mr. Alex Jarman, gave us a summary of the previous year and presided over elections for the 2016-17 year. The new officers for the coming year are: Scott Howard-President, Robert Merritt, Jr.-Vice President, Joe Mercer-Treasurer, and Martin Sullivan-Secretary. The men thanked Alex for the fantastic job over the past year. Father Dunbar gave his remarks and introduced our guest speaker for the evening, Mr. Chip Welch, President of The Habersham School. Mr. Welch gave a very informative talk on the value of a classical Christian education.

The men are excited about the upcoming year, and the many opportunities to strengthen our faith and fellowship. Some of the upcoming events you will not want to miss are Men's Steak Night at The Forest City Gun Club on November 3rd and our Annual Oyster Roast at Villa Marie in early 2017. We are very happy to be partnering with the Women of the Church to benefit Fresh Air Home-truly a breath of fresh air on Tybee Island to benefit disadvantaged youth for a two-week summer camp experience, where they are immersed in a loving, Christian atmosphere. In addition, let's all assist in any way possible as the Women prepare for another great Bazaar in early November.

Remember, if you are a man, and you are a member of St. John's Church, then you are a member of The Men's Club. So, please let us know of your interests and how you choose to serve God and man in this special place. Some of the many opportunities are participation in breakfast Bible Study, serving as a Reader at Morning or Evening Prayer, hands on volunteering with the Women at Fresh Air Home, assistance or participation in Men's Steak Night, the Annual Oyster Roast, the golf tournament, tennis tournament, or the weekly lunch group coordinated by Rick Wright. We look forward to seeing you at most of these events.

St. John's Canning Crew has been hard at work all year replenishing supplies of chutneys, jams and relishes. New this year are Orange Marmalade and Artichoke Relish!

Green-Meldrim House and Green Furniture News

Continuing our efforts to make a wider audience aware of the Green-Meldrim House--hopefully resulting in increased revenues from visitors--our Green Collection Curator Tania Sammons spoke about our new Green furniture acquisitions, the house, and St. John's Church at the Southeastern Museums Conference (SEMC) in Charlotte, North Carolina, on October 11. Ms. Sammons shared stories about our active house, which brings people together in fellowship, history, and architecture in her presentation, "Dual Missions: Church Parish and House Museum: Tales from the Green-Meldrim House." With over 600 attendees, this annual meeting provided wonderful exposure for us as SEMC is the major regional networking organization for museums and their staff in the southeastern United States.

In addition, increased interest in the Green-Meldrim House and our newly-acquired Green furniture is bringing a distinguished group to visit us this month. On October 29, Ms. Sammons will lead the Georgia Museum of Art's Henry D. Green Decorative Arts Advisory Committee on a tour of the Green-Meldrim House. This important Committee advises the museum's Henry D. Green Center of the Decorative Arts, which supports research and provides educational opportunities, such as their biennial symposia on Georgia-related decorative arts. Given their primary focus on works made in or of significance to Georgia, the Committee is especially excited to learn more about the Green-Meldrim House and our new Green family collection.

Congratulations to Ms. Sammons on a productive start to her work with us, and many thanks for her advice in getting our historic house prepared for Hurricane Matthew!
