

Youth of St. John's Spring/Summer 2020 Calendar

April

- **Saturday, April 4, 10 a.m. to noon – Saturday Palm Crosses in Cranmer Hall**
We need lots of volunteers (of all ages) to make palm crosses. All you need is a willingness to help and to bring your own pair of small scissors. We will show you how to make the Palm Crosses. Age appropriate children's activities and light refreshments will also be provided.
- **Friday, April 10, 5:30 p.m. – Good Friday Service**
Families and worshippers of all ages will meet at the arches on the north side of the church. The youth and clergy of St. John's will lead the worshippers in a public witness of the Way of the Cross around Madison Square and conclude in the Church. **We are looking for youth to read the lessons at this service.** If interested, please contact David Svihel at dsvihel@stjohnssav.org
- **Saturday, April 18, 10 a.m. to 6 p.m. – Kuhn Farm (Millen, GA) Workday**
On the third Saturday of April, the Youth of St. Johns, and any interested adults, will be saying thank you (!) to the family that hosted our fall retreat free of charge by doing work around their property including: cleaning, yard work, and anything else they need. We will end the day with a pool party and barbeque! Bring work clothes, swimming attire, and a bottle of water! Transportation and meals provided.
- **Sunday, April 19 – Carolina Cross Connection (CCC) Presentation**
During Christian Education Hour, Taylor Whitley from CCC will be giving a presentation on the home repair and other work they do, and how St. John's will partner with them on mission this summer, and in the future.

May
